Friday, April 15, 2016

First Grade Music Program 9:00 am HDS Gym

Monday, April 25, 2016

9th Annual William Bell Memorial Golf Tournament

Please support our athletic development efforts at Hancock Day School by participating in our 9th Annual William Bell Memorial Golf Tournament on Monday April 25, at the Savannah Golf Club. Last year's golf tournament proceeds enabled our school to purchase the 4 retractable basketball goals and divider curtain in our gym. Our HDS Athletes have performed above and beyond this school year and we would love to give them all the support they deserve.

News @ HDS ART

We are very excited to inform everyone that our very own Tricia Cookson has been selected as the winner of Telfair Museums' call for local artists Boxed In/Break Out! Cookson will active six windows at the Jepson Center with her original, site-specific installation. In addition to having her work featured at the Jepson Center, Mrs. Cookson will receive an honorarium for her work and will give an artist talk at the Jepson Center on April 28. Please visit Mrs. Cookson's work on her website to get a taste of her style and unique art creations. We are grateful to have her teach our HDS students and cannot wait to see her newest creation at the Jepson Center. <http://www.triciacookson.com/> #HDSART#JepsonCenter #TelfairMuseums

The Borak's trip to Ethiopia is rapidly approaching! There are a few items needed for the medical clinic that will be provided by I Pour Life on their trip. Please send any of the following items: **Antifungal cream, Hydrocortisone cream, Saline eye drops, Reading glasses, Toothbrushes, Toothpaste!**
