**Welcome back to school!**

If you are looking for school information please visit the HDS website. The school calendar, Facebook, and the HDS website should help you navigate through the school year. If you have ANY questions, please feel free to contact the school office!

**EMERGENCY MEDICAL FORM**

Please complete an Emergency Medical Form for each student. The form can be found under "Forms" on the HDS website.

**HANCOCK DAY SCHOOL – Parent and Student Handbook**

Please have your student complete pages one and 101 of the HDS Directory. These pages should be returned to Homeroom Teachers.

**Carpool**

Thanks to your patience and cooperation, our carpool process is off to a great start! Like anything, we can always grow and improve and we feel strongly that for the safety of our students there are a few areas that do need immediate attention from our school community. Please be aware of the following:

- There is **no** left turn into the school entrance! When cars make a left turn into the driveway it interrupts the required traffic flow on the street. We must eliminate ALL left turns into the building during carpool hours immediately.
- There is **no** left turn out of the school entrance! Please make a right and maintain the flow of traffic the city requires.
- Please **do not** turnaround in the neighborhood immediately after the school driveway.
- The safety of the students is the most important thing. ***It is critical that all cell phone use is ended once you move into the carpool process.***

We have no doubt that attention to these details will lead to moving you through the carpool line even faster and more efficiently! Our goal is to provide parents and students a safe and orderly process that ends the school day on the positive note we've started on - thank you for supporting that effort!
