June 12th—16th June 19th-23rd
9:00 am—12:00 pm

Rising 4th—Rising 6th Graders Cost \$145 per camper (includes supply fee for materials)

Contact: Letha Eller
teller@hancockdayschool.org

Doodlebugs is for kids who love to make crafts! Campers will get creative with glass bottles, alcohol ink, moldable plastic, rope, mod podge, buttons, paint and more to create many high quality items like t-shirts, crayons, buttons, and magazines. Activities are geared for boys and girls. Also, both sessions will create the same items and there will not be repeated items from last summer. If you love to be creative, sign up for Doodlebugs! Classes will be limited to 10

Engineering Camp

June 19th - 23rd 9:00am - 12:00pm Rising 6th - Rising 8th
Cost \$125 + cost of materials (includes t-shirt)

Contact: Chris Cooper ccooper@hancockdayschool.org

During this camp, our young engineers will be building their own electric cars. They will learn about the importance of pre planning and having a good plan. We will gather materials from Home Depot, and start to build our vehicles on Tuesday.

Friday will be Race Day!
