

There will be no required summer math work for middle school, but for families who would like some practice over the summer, we recommend these books:

Rising 6th Grade (students entering Accelerated Math or Pre-Algebra)

Pages 5-103

<https://www.amazon.com/Spectrum-Math-Workbook-Grade-5/dp/1483808734>

Rising 7th Grade (students entering Pre-Algebra)

Pages 5-48 and 57-96

<https://www.amazon.com/Spectrum-Math-Workbook-Grade-6/dp/1483808742>

Rising 7th and 8th Grade (students entering Algebra I)

Pages 5-73

<https://www.amazon.com/Spectrum-Math-Workbook-Grade-7/dp/1483808750>

Rising 8th Grade (students entering Advanced Algebra or Geometry)

Pages 5-16 and 33-88

<https://www.amazon.com/Spectrum-Math-Workbook-Grade-8/dp/1483808769>
