

Dear Families,

Due to the COVID-19 pandemic, we are extending the previously announced closure of our physical campus. **We plan to remain closed until Tuesday, April 14th**, and will keep you informed if this timeline needs to be extended further. Due to this change, April 9th, a date originally scheduled for parent/teacher conferences, will instead be an additional day of remote learning.

**During the time that our physical campus is closed, all activities on our campus are cancelled/postponed.** This includes, but is not limited to, scholastic and athletic competitions, practices, parent meetings, parent/teacher conferences, and extracurricular activities.

We value your feedback and will explore other ways to communicate the progress of our students in light of our need to cancel regularly scheduled parent/teacher conferences. We will be sharing a survey in early April as an opportunity to collect feedback and touch base on our remote learning platforms. While we look forward to hearing from you then, feel free to be in touch with your child's classroom teacher or the administration with questions or concerns at any point.

It has been amazing to see our community engage in remote learning during this crisis. We sincerely appreciate your support and look forward to seeing everyone back on campus soon.

Respectfully,  
HDS Administration
