

April 10, 2020

Dear Families,

We hope you and your family are doing well.

As we move through the COVID 19 situation as a community, we wanted to share some financial information with regards to payments to the school and what to expect from the business office.

First, your final payment to the school will be next month for the 2019/2020 school year.

Secondly, if you participated in the prepaid lunch program, extended care, or a school field trip in April or May, you will receive full credit on your May invoice.

Thirdly, to clarify the April invoice, the business office only charged for the March portion of the extended care that was utilized. The time spent in extended care for the first two weeks of March would have been reflected in your April invoice.

The finance committee will continue to meet regularly and inform you of any changes that are pertinent to our school community.

We are so fortunate to have such wonderful and supportive HDS families.

Sincerely,

HDS Finance Committee
